FROM: Maxine Stricker, Director
Division of Child Support Enforcement

DATE: April 24, 1992

SUBJECT: Additional Payee Relationship Codes for the Automated Systems

Three additional payee relationship codes have been added to the list of codes used in the automated systems. These codes are as follows.

These codes are to be used as appropriate when completing item 53 on the Payor Case Record Add/Change Input Form (CS-4) to create or update a case record in the Child Support System. The code reflects the relationship of the payee to the child(ren) in the case.

The codes have been added to the Child Support System and KASES so that both systems include all payee relationship codes used by the Division of Field Services.
